#### Film Review

You recently watched the film “Wall-E” (2008) by American director Andrew Stanton. You have decided to write a review of the film for your school magazine.

Here are two comments made by other students about the film:

- 1) “This film is a masterpiece. It is somehow a sci-fi, action, romantic comedy and it perfects everything”.
- 2) “It’s unlikely there will be so many buildings still standing - and recognizable as buildings - in 700 years”.

Write a review for your school magazine.

The comments above may give you some ideas. You should also use some ideas of your own.

Your review should be between 120 and 160 words long.

Le letture e le attività richieste saranno oggetto di verifiche scritte e/o orali nel corso del prossimo anno scolastico.
